

# Great Barrier Reef MOTHERSHIPPING

*Your floating oasis...*

Beluga is a luxury 34.7 m (114 ft) expedition superyacht which operates year-round on the Great Barrier Reef. She is available as a luxury mothership to an array of sports-fishing vessels and guests throughout the Cairns Marlin Season on the Ribbon Reefs annually.

Beluga is a large-volume yacht for her size, equipped with all the modern luxuries of a superyacht and has been hosting guests and crew for over 4 giant black marlin seasons on the GBR. Operated by up to 7 experienced and professional crew, the team on board Beluga are the best at what they do and go to great lengths to ensure your experience is truly memorable.

# Accommodation & Layout

**Main deck:** Inviting open saloon for dining, entertaining and relaxing which leads out to a spacious aft deck for outdoor dining & cocktails. The main salon is air-conditioned and features formal dining for up to 8 guests.

**Master suite:** Forward on the main deck is the master suite with private office. The suite spreads full beam to ensure privacy. A large curved smart TV centres around plentiful wardrobe space which follows through to a spacious private bathroom with bathtub, double shower and marble flooring which is cool underfoot and can be controlled with underfloor heating.

**Lower deck guest accommodation:** Four guest staterooms, 2 double and 2 twins each with a single pullman. All cabins have storage space and bathrooms as well as in-room entertainment.

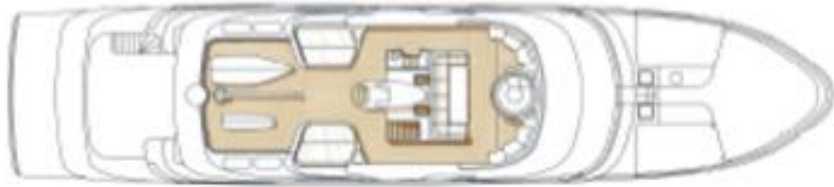

**Bridge deck:** The sky lounge connects through a sliding glass door to the glass-enclosable upperdeck. This space is a favourite in Australia for outdoor dining under the stars.

**Sundeck:** Jacuzzi, wet bar, exercise equipment, dining table, sun lounging pads

*\*(Double beds can be configured to accommodate two single guests utilising a split bed divider)*
